

## Summer Community Service Opportunities

**\*We will again be supporting LILBURN CO-OP this year. You may volunteer at the CO-OP any time and get a signature on your Volunteer Form from a Supervisor there . . . these hours will count towards your Community Service hours.**

**\*Over the Summer and during Pre-Planning Week in August, if you help any teacher in the Parkview Cluster, you may have them sign your Volunteer Form to receive credit for this time.**

**\*\*Please remember to wear a Parkview Cheerleading shirt (preferably your new sleeveless polo) when volunteering. You should look nice . . Remember, you are representing Parkview!**
